Congratulations on your engagement and upcoming wedding!

We are honored that you are considering a Prairie Garden Wedding and hope you love the grounds and facilities as much as we do!

Please carefully read the information in this packet following your visit. When you are ready to reserve your date, please email Janelle at arboretum@hesston.edu and she will send you a digital rental agreement and invoice for the damage deposit. Damage deposit is due to reserve the date. Rental package fees are due two weeks prior to the event.

A few things to keep in mind as you are planning an outdoor Kansas wedding:

- **Always have a Plan B!** Make a back up plan in case of rain, high winds, or excessive heat. With lots of windows in both of our buildings, an indoor ceremony can be just as gorgeous as being outside. Book the buildings you will need if there is inclement weather.

- **Appoint a venue liaison.** Whether it is your parent, sibling, maid of honor or wedding planner, please appoint a venue liaison who will be in charge of the keys, clean-up and general communication with the venue on the big day. This person should meet with the arboretum office manager a few days before the wedding to go over some important details.

- **Be sure to have fun!** Time and time again, we are delighted to see couples making their wedding day unique to who they are. Check out our Pinterest boards and Facebook page for inspiration on how to utilize our facilities to create the perfect day for YOU!

- **We are always just a phone call or email away.** Please ask questions if you have them! From decorating limitations to figuring out how to set up the reception tables to schedule for the day, please ask us anything and we will get you an answer!
The Dyck Arboretum of the Plains, owned by Hesston College, is a prairie garden dedicated to educate people about the benefits of appreciating, preserving and utilizing native and adaptable plants. Providing rental space for events provides a community service to enable groups to utilize the facilities and the unique landscape at the arboretum. We appreciate your cooperation in following these policies, which will help protect and preserve the Visitor and Education Center and Arboretum grounds.
